How about:

Spring - do you think it is actually here? Will we ever get to summer? I have an appointment next week to get the snow tires off. I am hoping it is safe.

This has reminded me that no matter what the weather, no matter the crisis, we have a God who walks with us. We are never alone in all of life's moments. He has promised to be with us, to the end of the age. We can trust God's promise because the promises God has made have proved to be true time and time again. They have been tested over the centuries. We may find that things work out in a different way than we expected, but it is OK.

This summer we will all experience joys and experience challenges. The thing that I am certain of is that we are safe and secure. We have a God who loves us and who gave His all for us. Each and every one of us. Yes, all of us. That includes you. As we enter a time when our world turns green and multi-coloured, may we rest in God's love and find rest for our souls and bodies.

A new endeavor this year - we are going to try flying kites at Sunset Point. Should someone say to you - go fly a kite, say yes. Watch the bulletin for further details.

May you be blessed over this coming season and find yourself refreshed.

Blessings,
Sharon

The Wardens of All Saints' would like to wish everyone a safe and enjoyable summer and remind everyone that our doors are still open every Sunday morning!!! We have a number of projects planned for the fall and these will be shared with parishioners in the fall. As well, the wardens invite all church members to our annual volunteer appreciation social on Friday June 22, 2018 between 4pm and 6pm. God's blessings to you all!

Community Friendship Dinner

Spring has finally sprung!

Good news! BBQ season is here. We are serving Sausage on a Bun in June, Hamburgs in July and Peameal bacon on a bun for August. The Green Team has planted the gardens and soon their bounty will be shared at our dinners. Watch them grow!

Thank you to the fabulous volunteers that donate food and/or time and/or money to make this community dinner successful each month. We are blessed to have new volunteers every month and we serve approx 100-125 hungry people each month. Everyone is welcome to help out. If you would like to be added to our email list, just let me know. Invite a friend. We always are looking for new volunteers.

See you at the Community Friendship Dinner on the 2nd Wednesday of every month.
