CEMETERY WOES

Due to a substantial reduction in the monies Our Cemetery receives from the Diocese which invests our Perpetual Care Funds (approx \$120,000), we face a major cash shortfall this year. We also need to raise our rates to be in line with the other parochial cemeteries in town. We will be raising our rates as of August 1st. In the interim, single plots are available for \$750 + \$200 (corner markers) + HST for a total of \$1073.50. A single plot can accommodate a full burial or up to three urns. Should you be thinking of buying a plot (s) now would be the time. If this is of interest to you contact Ron Emo.

Summer Office Hours

June July August
Monday – Thursday
9am – 3pm

Guidelines for Weekly Bulletins and Announcements

– Due to limited space we welcome any items related directly to All Saints' and the Diocese of Toronto for example Services, Events, Church Group Outings etc... to be added to our weekly bulletin and announcements. If an outside Group, Business, Event etc... Would like to add information we do have a spot to advertise please contact the office for further details allsaintschurch@bmts.com or 705-445-3841

Pub Night

The revenues and expenses for our recent Pub Night are now all in. Our profit for the evening was almost exactly \$1,100. The International Dinner Committee would like to have that amount directly put into the recent building/roof appeal. Thank you to the many parishioners who supported this event.

General Synod 2019

Three important votes will take place this July at the national Anglican Church synod in Vancouver. One relates to the Marriage Canon and same sex couples; one concerns self determination for the Indigenous Anglican Church; and, one is for the election of a new primate. You will receive further information on these and an opportunity to commune with fellow All Saints' parishioners after the combined 9:30am service on June 9th. If you have any questions please speak or contact

Elaine Cunningham

jimandelainecunningham@gmail.com

Participant Schedule can be picked up on the bench across from the reception desk at the Elgin Street Doors.

From the Green Team Using Water

Always turn off taps tightly and be sure that they do not drip or leak. Never leave taps running! A leak of one drop of water per second wastes about 10,000 liters a year.
