Sunday Worship Resources

Reading for the day Matthew 10:40-42 - Jesus said, "Whoever welcomes you welcomes me, and whoever welcomes me welcomes the one who sent me. Whoever welcomes a prophet in the name of a prophet will receive a prophet's reward; and whoever welcomes a righteous person in the name of a righteous person will receive the reward of the righteous; and whoever gives even a cup of cold water to one of these little ones in the name of a disciple - truly I tell you, none of these will lose their reward."

Psalm 13

Refrain

I will sing to the Lord, for he has dealt with me richly.

How long, O Lord? will you forget me for ever? how long will you hide your face from me? How long shall I have perplexity in my mind, and grief in my heart, day after day? how long shall my enemy triumph over me? Look upon me and answer me, O Lord my God; give light to my eyes, lest I sleep in death; Lest my enemy say, "I have prevailed over him," and my foes rejoice that I have fallen. But I put my trust in your mercy; my heart is joyful because of your saving help. I will sing to the Lord, for he has dealt with me richly; I will praise the name of the Lord Most High. R

To The People of All Saints'

In his update to the province on Monday 8th June 2020, Premier Doug Ford authorized places of worship to open from this Friday 12th June. While it is good to know that we may now legally open our church buildings for worship, our first priority must remain the welfare of our community.

The Anglican Diocese of Toronto, in partnership with the wider church, is working on a set of guidelines and protocols for all parishes, so that our worship can be shared in a way that is both responsible and safe.

Until those guidelines are published, and until our parish has been able to properly implement them, All Saints' will not be opening for public worship.

We are all eager to be with one another again, and perhaps we now will be sooner rather than later. As we continue to prepare for that day, we will continue to share new information as it is made available to us.

Take Paul's words in Romans 12:12 to heart: Be joyful in hope, patient in affliction, faithful in prayer.

Fr Doug

From the Green Team

“When they had gone ashore, the disciples saw a charcoal fire there, with fish on it, and bread.” (John 21:9)

Mmm! The enticing smell of a barbecue! This summer activity reminds us of how ancestors cooked. Even though it is not recommended, its impact on the environment can be reduced. First, don't barbecue on days when there is a smog alert. Use a barbecue that suits your needs, buying a small one or lighting just one burner for smaller portions. According to AQLPA, * one 20-litre bottle of propane emits about 25 kg of CO₂

The type of fuel makes a big difference, Avoid flammable liquids. Charcoal and wood create a lot of soot, and propane and natural gas aren't much better. An electric barbecue is the most ecological option.

*Association québécoise de lutte contre la pollution atmosphérique:

The AQLPA is an independent grouping of natural and legal persons actively working to improve the quality of the atmosphere in **Quebec**. Our main objective is to promote the development of concrete solutions adapted to the reality of the needs of stakeholders, for the acquisition of knowledge, education and awareness.
