Readings for the day

Corinthians 13:11-13

Finally, brothers and sisters, farewell. Put things in order, listen to my appeal, agree with one another, live in peace; and the God of love and peace will be with you. Greet one another with a holy kiss. All the saints greet you. The grace of the Lord Jesus Christ, the love of God, and the communion of the Holy Spirit be with all of you.

Matthew 28:16-20

Now the eleven disciples went to Galilee, to the mountain to which Jesus had directed them. When they saw him, they worshipped him; but some doubted. And Jesus came and said to them, "All authority in heaven and on earth has been given to me. Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything that I have commanded you. And remember, I am with you always, to the end of the age."

Psalm 8

Refrain

O Lord our governor, how exalted is your name in all the world!

O Lord our governor, how exalted is your name in all the world! Out of the mouths of infants and children your majesty is praised above the heavens. You have set up a stronghold against your adversaries, to quell the enemy and the avenger. When I consider your heavens, the work of your fingers, the moon and the stars you have set in their courses, What is man that you should be mindful of him? the son of man that you should seek him out? You have made him but little lower than the angels; you adorn him with glory and honour; You give him mastery over the works of your hands; you put all things under his feet; All sheep and oxen, even the wild beasts of the field, The birds of the air, the fish of the sea, and whatsoever walks in the paths of the sea. O Lord our governor, how exalted is your name in all the world! R

Susan

A huge thank you for the delicious dinner you and your crew prepared last night - I know the bulk of the work and organization rests on your shoulders. It was very special being able to connect with the wonderful All Saints community (at a distance) when we picked up our meal. You have a big heart and a self-sacrificing spirit, and are a wonderful example of Jesus among us.

Blessings,

Barbara and Bruce

From the Green Team

In the Bible, the sun is perceived as a living thing, obeying God by marking time. Today, we know that the sun is an enormous ball of hydrogen that produces nuclear fusion at its core and emits radiation. The radiation that reaches the Earth stimulates evaporation and warms the ground (thereby creating weather), and when it touches the green surface of a plant, this energy of the sun can also be used directly for human activities.

Passive solar; this method involves using the solar energy without technology, such as hanging clothes on a clothesline to dry and opening curtains in the winter to warm a room.

Thermal solar: black solar panels can heat water is then sent to the home's water heater, reducing the cost of running the water heater.

Electric solar: electric (or photovoltaic) solar panels convert light from the sun with 15 to 20% efficiency and thereby increase a home's energy autonomy.

CEMETERY UPDATE

At its AGM on Friday May 22nd, the Board, following a review of prices charged by Collingwood's five other cemeteries, decided to raise our service fees. As of Wednesday July 1st, the price of a single plot will rise from \$850 to \$1,000. Corner Markers, which are required for each ownership, will remain at \$300. The Cemetery continues to struggle financially as plot sales are quite low. The Cemetery Board expresses its gratitude for donations of some \$1,710 used to assist with the cost of removing a diseased Ash tree. In addition, despite Vestry approval to move our Perpetual Care funds from the Diocese to RBC Dominion, this is proving to be problematical and will probably not occur and thus we will continue reduced yield. Our new Bylaws are currently under review by the Bereavement Authority of Ontario. The possible sale of part of our Surplus Lands to Home Horizons is still wending its way through Diocesan approvals. Any parishioners interested in purchasing plots are encouraged to contact
