

# All Saints' Anglican Church

*Collingwood's welcoming haven of support, care, outreach and inspiration*

Sixth Sunday after Pentecost

Sunday July 12 2020

Incumbent – The Reverend Douglas Michael

Honourary Assistant – The Reverend Sharon Johnstone

## Sunday Worship Resources

**Readings for the day – Isaiah 55:10-13** - For as the rain and the snow come down from heaven, and do not return there until they have watered the earth, making it bring forth and sprout, giving seed to the sower and bread to the eater, so shall my word be that goes out from my mouth; it shall not return to me empty, but it shall accomplish that which I purpose, and succeed in the thing for which I sent it. For you shall go out in joy, and be led back in peace; the mountains and the hills before you shall burst into song, and all the trees of the field shall clap their hands. Instead of the thorn shall come up the cypress; instead of the brier shall come up the myrtle; and it shall be to the Lord for a memorial, for an everlasting sign that shall not be cut off.

### **Psalm 65**

#### ***Refrain***

#### ***Be joyful in God, all the earth***

To the leader. A Psalm of David. A Song. Praise is due to you, O God, in Zion; and to you shall vows be performed, O you who answer prayer! To you all flesh shall come. When deeds of iniquity overwhelm us, you forgive our transgressions. Happy are those whom you choose and bring near to live in your courts. We shall be satisfied with the goodness of your house, your holy temple. By awesome deeds you answer us with deliverance, O God of our salvation; you are the hope of all the ends of the earth and of the farthest seas. By your strength you established the mountains; you are girded with might. You silence the roaring of the seas, the roaring of their waves, the

tumult of the peoples. Those who live at earth's farthest bounds are awed by your signs; you make the gateways of the morning and the evening shout for joy. You visit the earth and water it, you greatly enrich it; the river of God is full of water; you provide the people with grain, for so you have prepared it. You water its furrows abundantly, settling its ridges, softening it with showers, and blessing its growth. You crown the year with your bounty; your wagon tracks overflow with richness. The pastures of the wilderness overflow, the hills gird themselves with joy, the meadows clothe themselves with flocks, the valleys deck themselves with grain, they shout and sing together for joy. R

### **Opening Hymn 425 Joyful, Joyful We Adore Thee**

*Text: Henry Van Dyke (1852-1933) alt, Music: Ludwig van Beethoven (1770-1827), arr. Edward Hodges (1796-1867)*

### **Masks**

Shirley Sutton has some extra cloth masks that she has made if you are interested please contact the office 705-445-3841 for further details

To the Saints of All Saints'

Please read this, and please write back to Nancy in the office to help us out: [allsaintschurch@bmts.com](mailto:allsaintschurch@bmts.com)

The summer break is upon us. But this year, instead of winding things down for a couple of months, we are ramping them up!

The Diocese of Toronto has released its guidelines and requirements for running 'in person' church services again, and has given us an opening date: 13 September 2020.

As you can imagine, church in September will not look like church back in March. Distancing guidelines will be followed; there will be fewer people in church at any time; and extensive cleaning will happen between services.

All of which means that our planning must reconsider how many services we can run on a Sunday; how much time we must leave between them; and whether we offer alternate days for services as well.

There are no precedents for us to follow, so there is a fair bit of guesswork involved. But you can help us make that a little more accurate!

Please give some thought to whether you plan on attending services again in September, or whether you are likely to wait for a while before coming back to church, and let us know. You can change your mind at any time, but having a rough target will help us do better planning. Also, as service times may well have to change, please let us know what sort of times might be convenient for you, and if there is any time after which you would probably not come to a service. And if we offered services on other days (perhaps Saturday afternoon or evening) would that be something you might consider?

If there is anything else you think our planning should take into account, please let us know that too.

Thank you, and God be with all of you.

Fr Doug

## **Entrees To-Go Bridging Program**

To help out those who have come to rely on the weekly dinners, Susan Scouten is offering an interim frozen ‘Entrees To-Go’ Bridging Program. Note that this is NOT a full meal, just the main course such as KFC (3 pieces), Chili, Sweet & Sour Chicken, Chessy Penne with Meat Sauce, Chicken Parmesan on a Bun. Could you, or, someone you know benefit from an entrée? Here’s how it works: email [sscouten1@gmail.com](mailto:sscouten1@gmail.com) In your email, indicate how many entrees you require. Susan will reply and let you know what she has available and arrange a pick-up or delivery time. No email? Call the Church Office at 705-445-3841 and Nancy will ask Susan to call you back.

This program is for everyone!

## **From the Green Team**

“The earth also is defiled under the inhabitants thereof; because they have transgressed the laws, changed the ordinance, broken the everlasting covenant” (Isaiah 24:5)

The human being is the steward of creation, a tiller of the soil. We are called upon, throughout our life, to make this earthy a fine garden. Many achieve this by beautifying their home or church. But what happens when the time comes to get rid of weeds and pests?

Our reflex, this century, is to make use of very toxic products such as herbicides and pesticides. According to health Canada, these products deplete the earth and make us sick, particularly children, Instead of taking shortcuts, talk to botanists who will gladly share their secrets for solving any problems as naturally as possible. For instance, planting onions or parsley will protect your tomatoes!
